INFORMATION FOR RATEPAYERS

It is imperative that you read and understand the rate collection policy before signing this application.

Extracted from the 2016/17 Revenue Statement (Adopted 21 June 2016):

Payment of Overdue Rate by Instalments:
To assist ratepayers in meeting their rate responsibilities, Council may accept applications for payment of overdue rates and utility charges by instalments from property owners who can demonstrate a genuine financial hardship, provided that such payment plan will provide that all rates and charges are paid within the financial year in which the application is made. Each application will be assessed on its merits.

Interest will continue to be charged on overdue rates and utility charges which are subject to an instalment payment plan. The applicant must comply with the terms of the instalment plan agreed to, as default will result in Council requiring immediate full payment of future instalments.
