PUBLIC NOTICE

Water Main Replacement

Council wish to advise that there will be works carried out on the water main on King Street, between Ham and Gregory Streets.

Works will be carried out from Wednesday 12 October to Saturday 15 October 2016 between 6.30am and 6.00pm. During this time residents on King Street (between Ham and Gregory Street), on the eastern end of Gregory Street and on the eastern end of Ham Street may experience change to traffic conditions, water interruptions and noise from machinery.

Residents are also advised that once the water is restored there may be slight water discolouration as a result of the reconnection.

Should you have any queries in respect of this matter, please contact the Water and Sewerage Supervisor at the Council Administration Office on 4742 4100.

Yours faithfully

Bruce Davidson
Acting Chief Executive Officer
Friday 30 September 2016
