

PERKINS STREET UPGRADE

From the Project Director

"Final works are now happening, with the road to be sealed and open by the end of January. Work hours will remain Monday to Friday 6am to 6pm until completion.

Lamont thanks the community for their patience over the festive season".

Glen Lamont

Managing Director

WORK PROGRESSION/ CONSTRUCTION UPGRADE

ABOUT THE WORKS:

- **Concrete Culvert Works – Continuing until the 21st of January**
- **Pavement Works – Commencing the 21st of January and continuing through to the weekend**
- **Bitumen Sealing – Works to be undertaken from the 29th to 31st of January**
- **Dust Suppression – Water trucks will be used to control dust levels until works are completed**
- **Temporary access will continue to be provided to all residents along Perkins Street until completion with minimal delays**

MORE PROJECT INFORMATION: For any information relating to the works being constructed at Perkins Street, please contact our community hotline: 0481960756.
