Cloncurry Shire Council	Dajarra Raw/PT	Raw-Partially treated water scheme	WA8	QG 1.17	General	Volume of water supplied - residential (S)	MD	ML	Cloncurry Shire Council has had limited staffing resources in order to read the meters within the Dajarra Township. The township itself is approximately 170km from Cloncurry. Moving forward, Council will endeavour to maintain adequate staffing levels to read the meters within Dajarra.
Cloncurry Shire Council	Kajabbi Raw/PT	Raw-Partially treated water scheme	WA8	QG 1.17	General	Volume of water supplied - residential (S)	MD	ML	The water supply in Kajabbi is supplied by Bores and is not considered potable. Given the quality of the supply, Council have experienced issues with the meters getting blocked and therefore causing supply issues within the residences. For this reason, Council has removed the meters from the residential properties and installed a meter at the supply point in order to capture total water supplied to the township for future reporting periods.
