

PUBLIC NOTICE

CLONCURRY STREETSCAPING MASTERPLAN

PUBLIC CONSULTATION PERIOD: 2 SEPTEMBER 2019 TO 1 NOVEMBER 2019

Cloncurry Shire Council (Council) has prepared a Streetscaping Plan for Cloncurry to provide a coordinated design approach to the current, ongoing and future development of the township Centre zone, Ramsay & McIlwraith Streets. The Master plan explains specific treatments and strategies both generally and at key locations through the subject area. It is important to view the documentation as both flexible and adaptive as the development of the streetscape within the Centre Zone and more widely in the township development.

The identification and adoption of an overall theme is considered an essential component of the formulation of the Master Plan, helping to articulate and communicate the adopted vision, obtain consensus and ensuring consistency in the design and delivery of the development.

The proposed theme for the Cloncurry Streetscaping Master Plan is **'Outback Oasis'**.

Council is planning for future growth and development which can be managed sustainably and responsibly through consulting with the community to ensure that Council planning reflects their ideal vision for the Centre Zone.

The Cloncurry Streetscaping Master Plan is **now open for public consultation** and comment from 2 September 2019 to 1 November 2019. Once the public consultation period has closed, Council will consider all issues raised in any properly made submissions and determine what changes are required to the draft Cloncurry Streetscaping Master Plan before seeking formal adoption.

Public consultation on the Cloncurry Streetscaping Master Plan commences on 2 September 2019 and ends on 1 November 2019. Any person can make a written submission on the Cloncurry Streetscaping Master Plan during this period.

A copy of the plans can be viewed on Council's website, at: www.cloncurry.qld.gov.au. Furthermore, a copy can also be viewed at the Council's Administration Office at 38-46 Daintree Street, and the Council Library in Scarr Street, Cloncurry, throughout the entire public consultation period.

To assist people in making a submission, a standardised submission form and a copy of the Cloncurry Streetscape Master Plan are available on Council's website (www.cloncurry.qld.gov.au) and at Council's Office (38-46 Daintree Street, Cloncurry). However, any person may make their own individual written submission about any aspect of the proposal.

For more information, please contact Council's Environment & Planning Department on 47 424 100, or at the Council's Administration Office, 38-46 Daintree Street, Cloncurry.

Kind regards,

David Bezuidenhout
Chief Executive Officer
Cloncurry Shire Council
