

PUBLIC NOTICE

Water Meter Reading July 2023

Cloncurry Shire Council wishes to advise that water meter readings will commence on Monday, 10 July 2023. It is anticipated water meter readings will be completed by Monday, 24 July 2023.

If your water meter is inside your property fence, Council will be required to enter your property to gain access to the water meter.

Please note that under section 144 of the *Local Government Act 2009* Council may legally enter a property to inspect local government facilities for routine operations such as water meter readings.

To help meter readers, Council requests that pets be safely restrained and that overgrown grass or vegetation covering the water meter be cleared. Please note, meter readers will test water meters by turning on outside taps.

If you have pets, restricted access or other circumstances that would prevent Council's workers from reading the meter, please contact Council's Rates Officer on (07) 4742 4100 or council@cloncurry.qld.gov.au.

We appreciate your patience and cooperation while we undertake this activity.

Philip Keirle

Chief Executive Officer

6 July 2023
