Tree Lopping and Branch Removal Mary K Park 9 to 11 May 2024

TREE LOPPING AND BRANCH REMOVAL

Council wishes to advise that tree lopping and branch removal works will commence at Mary Kathleen Memorial Park (Mary K Park) from 8:00am tomorrow, 9 May 2024. Works are expected to take three days.

We will aim to minimise playground closure at Mary K Park, but this will be necessary at some stages.

Please be aware of increased traffic in and around the parking area at Mary K Park and the Visitor Information Centre, as contractors remove green waste.

PARK RUN

Contractors will ensure the Park Run track is clear and open from 6:00am on Saturday morning, 11 May 2024, with work to resume if necessary from 9:00am.

Council apologises for any inconvenience caused and would like to thank the community for their understanding and patience during these works. Should you have any questions or concerns regarding this matter, please contact Council's administration office.
