Valve Testing – Dajarra

Council will be conducting valve testing in Dajarra in an effort to shed light on recent water losses in Dajarra.

Please be advised that valve testing will take place twice nightly between **10pm and 1am and again at 2am until 5am** on the following dates:

- **Thursday evening and early Friday, 4th and 5th of April, 2024,**
- **Friday evening and early Saturday, 5th and 6th of April, 2024,**
- **Saturday evening and Sunday Friday, 6th and 7th of April, 2024, and,**
- **Sunday evening and early Monday, 7th and 8th of April, 2024.**

This testing is essential for identifying any potential leaks or inefficiencies in our water distribution system.

During the testing period, residents may experience minor fluctuations in water pressure. We apologise for any inconvenience this may cause and appreciate your understanding and cooperation.
