## Valve Testing – Dajarra

Council will be conducting valve testing in Dajarra in an effort to shed light on recent water losses in Dajarra.

Please be advised that valve testing will take place twice nightly between **10pm and 1am** and **again from 2am until 5am** on the following dates:

- **Monday evening and early Tuesday, 13<sup>th</sup> and 14<sup>th</sup> May 2024,**
- **Tuesday evening and early Wednesday, 14<sup>th</sup> and 15<sup>th</sup> May 2024,**
- **Wednesday evening and early Thursday, 15<sup>th</sup> and 16<sup>th</sup> May 2024; and**
- **Thursday evening and early Friday, 16<sup>th</sup> and 17<sup>th</sup> May 2024**

This testing is essential for identifying any potential leaks or inefficiencies in our water distribution system.

During the testing period, residents may experience minor fluctuations in water pressure. We apologise for any inconvenience this may cause and appreciate your understanding and cooperation.
