Wild Dog Control Program Baiting Activities 9-14 May 2024

Cloncurry Shire Council wishes to advise that poison baiting activities for wild dog control will be happening within the Shire from 9-14 May 2024. Baiting activities will take place outside a five (5) kilometre radius of any town area.

Pet owners should ensure their pets are closely supervised to prevent the accidental consumption of poison baits. If you suspect your pet has consumed a poison bait, please contact the local veterinarian.

Should you have any queries or concerns in respect of this matter, please contact Council's Manager Planning and Environment, Megan Anderson, on 07 4742 4100.
