

PUBLIC NOTICE

Top Dressing Works at Cloncurry Recreation Grounds

Council wishes to advise residents that top dressing and fertilising works will be carried out on the Main Oval at the Cloncurry Recreation Grounds, commencing Thursday 7/8/2025.

These works are part of a scheduled turf recovery program following recent events and will run for approximately five days.

To complete this task, machinery including a skid steer and small tipper truck will be operating on-site.

For safety reasons, we kindly ask residents and oval users to avoid the area between 9:00 AM and 2:00 PM daily while works are underway.

For further information, please contact Council office on 07 47424100
