

PUBLIC NOTICE

Cloncurry Lawn Cemetery – Portion 1 Installation of Concrete Plinths

Cloncurry Shire Council wishes to advise that construction and installation works of concrete plinths in Portion 1 of the Cloncurry Lawn Cemetery will commence week beginning **31 March 2025**.

Project Details

Council will be constructing and installing concrete plinths in Portion 1 of the Cloncurry Lawn Cemetery similar to the recently completed Portion 2 (see Figure 1). The new concrete beams will help keep footstones level and stable, improving the presentation of the cemetery as well as increasing the efficiency and effectiveness of cemetery maintenance.

Key Dates	Location	Details
31 March 2025 – 17 April 2025	Cloncurry Lawn Cemetery	Portion 1 of the Cloncurry Lawn Cemetery will be closed to the public for the duration of the works. However, access will be granted under special circumstances (e.g., funeral services) as it was during the installation phase for Portion 2. Please contact Cloncurry Shire Council for access requests.

Site Preparation – Removal of existing footstones and tributes

To enable the construction of the concrete plinths, existing footstones and attached plaques will be carefully recorded, removed and stored prior to the placement of the new plinths.

These items will be stored at the Rotunda adjacent to Portion 1.

Site Re-Opening & Placement of Tributes on Plinths

Council will advise of the reopening of the Cloncurry Lawn Cemetery, following the completion of the outlined project works.

Council appreciates your patience and understanding during this project. Should you have any questions or concerns in respect of this matter please contact Council on 07 4742 4100 or council@cloncurry.qld.gov.au
