

## PUBLIC NOTICE

### Water Meter Reading January 2026

Cloncurry Shire Council wishes to advise that **water meter readings will commence on Monday, 19 January 2026**. It is anticipated that water meter readings will be completed by Monday, 2 February 2026.

If your water meter is inside your property fence, Council will be required to enter your property to gain access to the water meter.

Please note that under section 37 of the *Water Supply (Safety and Reliability) Act 2008* Council's authorised persons may legally enter a property for the purpose of water meter readings.

To help meter readers, Council requests that pets be safely restrained and that overgrown grass or vegetation covering the water meter be cleared. Any vegetation still covering the meter will be trimmed by meter readers to gain access. Please note, meter readers will also test water meters by turning on outside taps.

If you have pets, restricted access or other circumstances that would prevent Council's workers from reading the meter, please contact Council's Water Team on (07) 4742 4100 or [council@cloncurry.qld.gov.au](mailto:council@cloncurry.qld.gov.au) to arrange a suitable time for access to the water meter.

#### **Meter Read Work Schedule:**

**Properties on the Western side of the railway line** can expect meter readers anywhere between 19 January 2026 to 26 January 2026. **Properties on the Eastern side of the railway line** can expect meter readers anywhere between 27 January 2026 to 2 February 2026. See Figure 1 below. Work to be completed 8:00am and 5:00pm, Monday to Friday.

We appreciate your patience and cooperation while we undertake this activity.

Gary Pemberton

Acting Chief Executive Officer

8 January 2026
