Flying Fox Dispersal Program

Cloncurry Shire Council wishes to advise that it will commence a ten-day flying fox dispersal program on **Saturday, 21 March 2026**.

Dispersal will be a combination of loud noise, smoke, and lighting to encourage relocation away from residential areas and the CBD. This will occur between **4am and 6am each day for a ten-day period**.

Council has been continually monitoring flying fox activity in town and has seen an increase in daytime activity at residences on Griffith Street. The dispersal program aims to encourage the flying foxes to roost elsewhere, away from town residences.

Please report any daytime flying fox activity to Council on 07 4742 4100 or council@cloncurry.qld.gov.au.

Council appreciates the community's patience and understanding whilst these activities are undertaken. If you have any concerns or issues in relation to this matter, please contact Council on 07 4742 4100 or council@cloncurry.qld.gov.au.
