

Department of Transport and Main Roads - Asphalt Resurfacing Works *Mcllwraith Street* *Cloncurry*

Temporary Traffic Changes – TMR Asphalt Resurfacing Works – Mcllwraith Street, Cloncurry

The Department of Transport and Main Roads (TMR) will commence asphalt resurfacing works on Mcllwraith Street, Cloncurry.

Works are scheduled to be undertaken from Monday 8 June 2026 to Friday 12 June 2026, with crews onsite between 6:00am and 6:00pm each day.

The works will involve asphalt resurfacing to extend the life of the road pavement and reduce the formation of potholes. These works will improve safety and travelling conditions for road users and assist in maintaining the long-term condition of the road network.

For the safety of road users and maintenance crews, changed traffic conditions will be in place throughout the works, including temporary speed limit reductions and intermittent full road closures.

Intermittent full closures of Mcllwraith Street will be required at times to safely carry out the works. Road users can expect delays of up to 15 minutes during these closures and are encouraged to plan their journeys accordingly.

Access to properties and businesses directly adjacent to the works may be temporarily restricted at times. Affected owners will be notified in advance where required, and crews will take all reasonable and practical steps to minimise disruption.

Nearby properties may experience short-term construction impacts, including noise from trucks and light machinery, as well as minor vibrations associated with the works. The contractor will continue to implement measures to minimise these impacts wherever possible.

Variable Message Signs (VMS) will be installed on approaches to the work site to ensure motorists are aware of the changed traffic conditions. Should weather or other unforeseen
