## Water Meter Reading January 2023

Cloncurry Shire Council wishes to advise that water meter readings will commence on Monday, 16 January 2023. It is anticipated water meter readings will be completed by Monday, 30 January 2023.

If your water meter is inside your property fence, Council will be required to enter your property to gain access to the water meter.

Please note that under section 144 of the *Local Government Act 2009* Council may legally enter a property to inspect local government facilities for routine operations such as water meter readings.

Please ensure the area around your water meter is tidy and it is easily accessible for meter readers.

If you have pets, restricted access or other circumstances that would prevent Council's workers from reading the meter, please contact Council's Rates Officer on (07) 4742 4100 or [council@cloncurry.qld.gov.au](mailto:council@cloncurry.qld.gov.au).

We appreciate your patience and cooperation while we undertake this activity.
