Cloncurry Shire Council wishes to advise that **Biodiversity Australia** will commence a two-week flying fox dispersal program on **Tuesday, 19th September 2023**.

Dispersal will be a combination of loud noise, smoke, and lighting to encourage relocation away from residential areas and the CBD. This will occur between **4am and 8am each day for a two-week period**.

The Biodiversity Team will be highly mobile during this time and ask the public to report any flying fox activity to the dedicated Flying Fox Hotline 1300 024 705

Council appreciates the community's patience and understanding whilst these activities are undertaken. If you have any concerns or issues in relation to this matter, please contact Council on 07 4742 4100 or council@cloncurry.qld.gov.au.
