

	Child Safe Code of Conduct	POLICY CS 0029
---	-------------------------------------	--------------------------------

1. INTRODUCTION

This Child Safe Code of Conduct is Council's overarching child safe behavioural standard. It applies to all councillors, employees, volunteers, contractors, third party providers, consultants, labour-hire (including events) personnel, students on placement, trainees, apprentices, and any other person engaged by or on behalf of Council who works with, for, or around children and young people in Council services, programs, facilities and/or online environments.

Parents, carers, community groups, hirers, visitors and members of the public are not bound by this worker Code of Conduct but must comply with Council's conditions of entry or use, child safe signage, behaviour expectations, and any lawful direction given by Council staff.

2. PURPOSE AND SCOPE

2.1 This Child Safe Code of Conduct (this code) should be read alongside Council's Child Safety and Wellbeing Policy, the *Child Protection Act 1999* (Qld), the *Child Safe Organisations Act 2024* (Qld), the *Working with Children Check Act 2000* (Qld), the *Information Privacy Act 2009* (Qld), the *Human Rights Act 2019* (Qld), and the National Principles for Child Safe Organisations. It also supports Council's compliance with Queensland's Child Safe Standards and related child safety reporting requirements include the Reporting Conduct Scheme and sexual reporting criminal law.

2.2 This Code also supports Council's approach to responding to allegations, concerns about child safety and wellbeing, complaints, disclosures and reportable conduct involving Council Personnel through its Child Safety Complaints and Reporting Process.

2.3 Council delivers and supports a mix of staffed programs, community services, and open public facilities. In some settings, Council provides direct services to children and young people. In other settings, Council provides access to public or shared spaces where parents, carers, user groups, hirers or other responsible adults retain primary supervision responsibilities in line with Council's facility hire, use and access conditions.

2.4 All Council Personnel must apply this Code in a way that is practical, child safe, and consistent with the level of control Council has in each setting. Where more specific guidance is required, the relevant Council policy, procedure, guideline, contract condition or local instruction must also be followed.

2.5 For the purposes of this Code, Council Personnel includes different categories of people engaged by or on behalf of Council who work with, for, or around children and young people in Council services, programs, facilities or online environments. These categories include:

- **Councillors**, who are also subject to the relevant local government conduct obligations and any council-specific governance requirements

- **Employees**, who are also subject to Council employment policies, child safe recruitment, supervision, complaints and disciplinary procedures
- **Volunteers**, who are also subject to volunteer induction, supervision and conduct requirements
- **Contractors, consultants and labour-hire personnel (including events)**, who are also subject to contractual child safe requirements, screening requirements where applicable, site access conditions, and relevant contractor or visitor management procedures
- **Students on placement**, trainees and apprentices, who are also subject to placement agreements, supervision arrangements and any relevant education provider requirements
- **Any other person engaged by or on behalf of Council**, who must comply with this Code and any other relevant Council policy, procedure, agreement or lawful direction applying to their role.

Where a person is subject to more than one policy, procedure, contract, agreement or code, those requirements apply together.

2.6 The values, ethics and standards within this Code are intended to guide behaviour and decision-making across all Council child-related contexts. This document should be read as an overarching conduct document, with more specific requirements set out in supporting policies, procedures, forms, guidance materials and local operating instructions.
